

CARBON CREDIT CERTIFICATE

This certificate acknowledges that

Test Farmer

has successfully processed **CATTLE MANURE** using **Anaerobic Digestion** method, contributing to environmental sustainability.

Environmental Impact	Value
CO ₂ Emissions Saved	1250.75 kg
Carbon Credits Earned	4.50 credits
Processing Method	Anaerobic Digestion
Waste Type Processed	CATTLE MANURE

Certificate ID: CERT-TEST-001
Issue Date: 2025-07-18
Verification Code: VERIFY-12345

This certificate verifies the environmental contribution made through agricultural waste processing.
